

I am beyond excited to be your teacher this year! We will work together as a community to help each other learn and grow this year. Together we will study U.S. history, take part in hands-on explorations of changes in matter, ecosystems, earthquakes, and landforms. We will challenge ourselves in math, reading, writing, arts and technology. Here is to an amazing year! I can't wait to meet you!

MISS CALLI

One of my favorite things before school starts, is to visit each of my you in your home. It won't take long, I just want to take a few minutes to introduce myself and give you a few things to help you get pumped for fifth grade. If you have any questions for me, this is a great time to chat. I have scheduled visits by last name. Check the schedule below for when I will be at your home. If you would like to schedule a different time or location to meet, feel free to message me on parent square or email me, and we'll work something out. If you're not home when I stop by, no problem! I'll just leave your things on your porch!

I student taught in New Zealand, which is where I fell in love with traveling and learning about other cultures. I got married this last year and love spending time with him and our families! In my free time, I love to craft and create, but also love watching and playing different sports. I grew up playing softball and now play a lot of pickleball. I absolutely love teaching, especially at CRA! I went to Canyon Rim as a kid and this year is my 10th year teaching here!

HOME VISITS

AUGUST 15TH @ 10-2

Last names beginning with A-H

AUGUST 16TH @10-2

Last names beginning with I-Z
